HABIB UNIVERSITY'S SCHOOL OF SCIENCE AND ENGINEERING PRESENTS

# DEVELOPMENT WITH DIGNITY THE 'TRICKLE UP' EFFECT

**SPEAKER: SHAHID SAYEED KHAN**

*Shahid Sayeed Khan* is the CEO of Indus Earth Trust (IET) and has over 40 years of experience in Architecture and Rural Development. He established IET, with the vision of helping the underprivileged build better lives. Qualified as an Environmental Architect in the UK. Mr. Khan will be talking about his organizational work in the area of sustainable development and his integrated development approach to fight extreme poverty and lift livelihood standards. He will be talking about the Indus Earth Trust's projects targeting alternate energy solutions, indigenous housing, water management and drought mitigation in six different areas in Pakistan.

**Tuesday, March 8<sup>th</sup> 2016,  
6:00 pm to 7:30 pm,  
Tariq Rafi Lecture Theater,  
Habib University**
